

# Member's Application Form

## Introduction

CCF is a charity (registered No. 1127376) and also Cambridge Carbon Footprint **Ltd**, a Company Limited by Guarantee (reg no: 05750297)  
This company has a formal **membership**, for which this is an application form.  
You can still be actively involved in CCF without being a company member!

Membership gives you voting rights at company meetings. Anyone can apply, if they:

- share CCF's aims and general approach (see [Vision & Mission](#))
- take a keen interest in CCF and want to contribute to its success
- normally attend formal meetings of CCF Ltd.

The company meetings are:

- Annual General Meetings,  
when members elect charity trustees (= company directors)
- other General Meetings, as called by the trustees

Members can vote on resolutions at any General meeting.

To be quorate, General meetings need half the members present in person or by proxy, so if you lose interest or can't normally come, we ask you to resign your membership.  
If we lose touch with you for a year and can't get any reply, your membership will lapse.

Liability is limited, but as a member, you might have to contribute up to £10, if the company is wound up with debts, within a year of your being a member.

Rules governing the running of CCF Ltd are in its [Memorandum & Articles of Association](#).
