

Volunteer Opportunity: Fundraising

CCF relies on donations and grants to fund its activities. Fundraising is one of the most important positions we have. A volunteer fundraiser may do some or all of the following:

- Work with staff and trustees to develop and execute fundraising ideas.
- Work with the Volunteer and Events Organiser to organise fundraising events such as ceilidhs or film screenings.
- Finding grants and writing applications
- Coming up with creative ways to raise funds for CCF, such as thinking of services or items could we offer to help people reduce their carbon footprint.

It needs someone who:

- Is not afraid to ask people for money
- Is creative and has lots of ideas but is also willing to do the work to see them through completion.
- May have a variety of experience; some applicants may have events organising experience, others experience in writing grants, it just depends on what you want to do with it!

Sounds like you? Email our Volunteer Organiser via stephanie@cambridgecarbonfootprint.org with details of who you are, your relevant experience and why you want the job!
