

# Waste and Managing Your Impacts with ISO 14001

Jane Varley  
GBN Manager

# Waste

**What is waste?**

**Waste is more than just the stuff that  
ends up in your bin or skip**

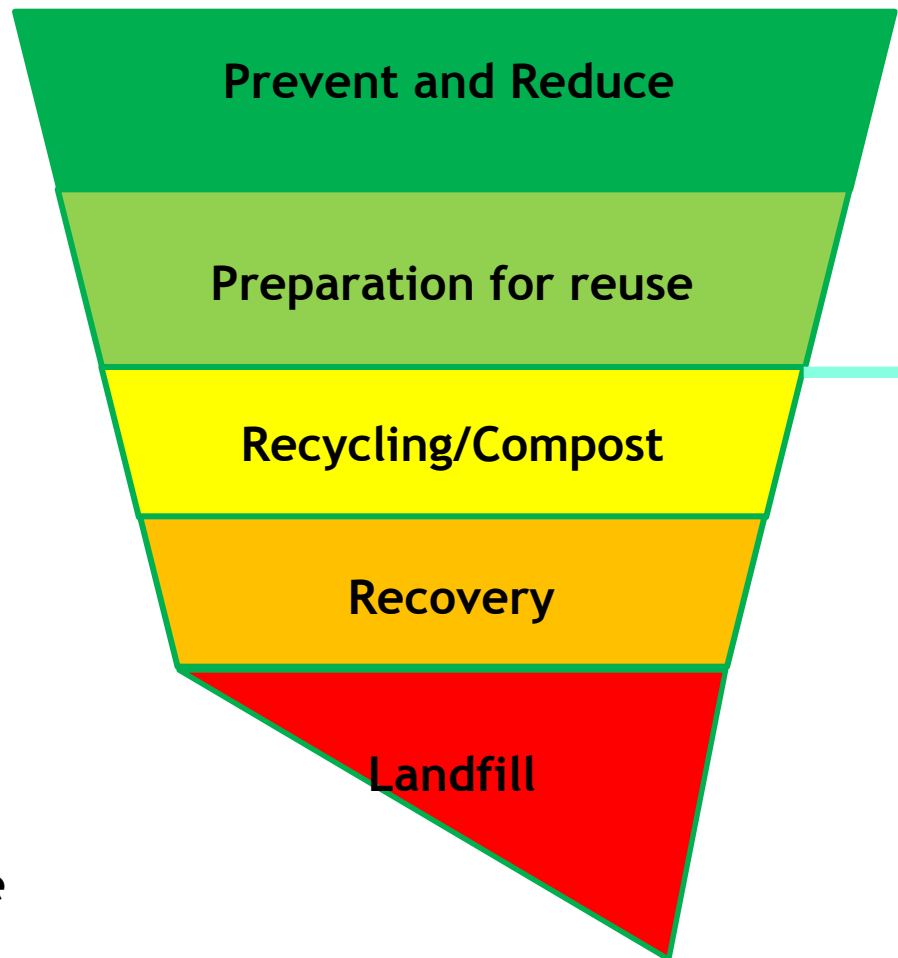

# Waste Hierarchy - brought up to date

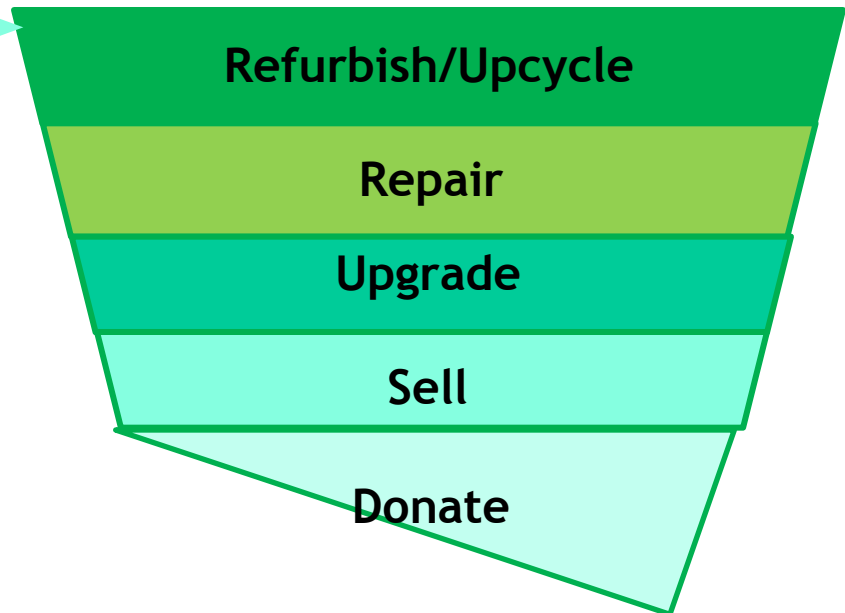

Most desirable

Least desirable

Circular economy and other models introduce more layers

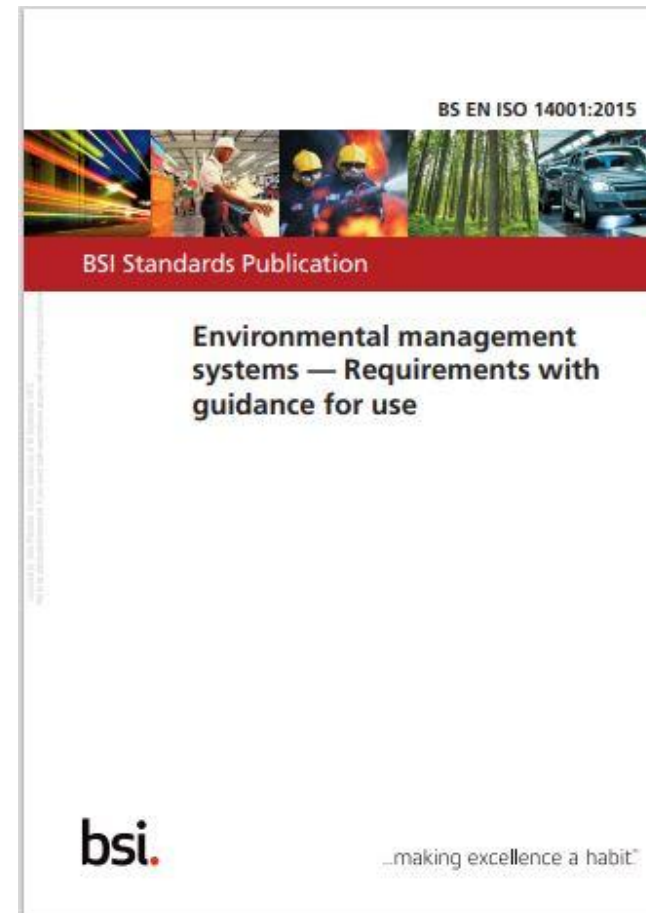

# Where to Start?

ISO 14001 - the international standard for Environmental Management Systems

# ISO 14001 Standard
