Interested in becoming a repairer?

If you've been inspired by the event today and enjoy repairing, we'd love to hear from you!

Whether you're a sewer, electrical repairer, jeweller, bike repairer, carpenter, book binder or more, you can put your skills to good use, saving stuff from landfill and helping people across Cambridgeshire.

With 80 Repair Cafes a year, you can pick the dates and locations which suit you and repair at as many as you choose.
